經營理念

Concept of Management

## Chef's best choice Professional manufacture of quality sauce

"HaoPinWei" was established in 1978. It's been decades we devoted ourselves to the research and development of producing the variety of cooking sauces with the guidelines of our company, "Honesty, Care, Innovation, Service". Starting with highly valuing the safety source of each ingredient, we use automated production facilities, conform strict quality control management system and bear the responsibility of secure each production detail and quality. At the same time, our manufacturing technology is the most professional and unique within our industry, so that we're able to produce a diverse range of custom-made sauces according to those different demands from restaurants and food companies. Throughout the years, our specialty has earned the long-term trust and recognition from the food processing industry and catering industry.

## Using traditional methods, we have created tasty flavors for a new generation.

A saying, "Bread is the staff of life." ("Food is the first necessity of the people"), shows the importance of meals to Chinese people. "HaoPinWei" inherits the traditional skills of sauce production, dedicate to fulfill the company's business guidelines, "select quality ingredients, fine sauce production, strict quality control, tasty flavor creation, continuous good brand name building" and believes in "the secret of sauce is effective to the soul of culinary delicacy, and the using of natural ingredients brings people the enjoyment of food and pleasant savory taste.

Over decades of constantly improving, HaoPinWei, a series of good chef's choice sauce, has been giving the sauces a lot more multiple, abundant flavors, keeping renovating and researching, and developing a series of sauce products appreciated by the consumers and fully satisfying the various needs in contemporary ways of cooking as well as the requirements of delicacy of safety.
